

# Prowler is now a distributor for Axis Products

## Distributor for world leading brand on network surveillance products

Prowler is now the distributor for Axis Communications. Axis Communications is the global market leader in network video products and the leading independent provider of print servers. Axis has been developing solutions that add value to networks since 1984. With about 1,000,000 professional network video products and over 3 million networking products sold, Axis has the experience to meet customers' networking needs.

So do your customers have issues in monitoring security for their businesses or would they like to monitor their employees even at the comfort of their own home? The wait is now over. Visit our new website at [www.prowler.com.sg](http://www.prowler.com.sg) for a comprehensive overview of our leading networking brands and affordable business solutions for your business security. Otherwise you can call us for free consultation at 6100 0886.
